

Policy on Certifications

Objective

This policy defines the criteria and principles that Colbert Packaging Corporation follows for the certification of our facilities to chain of custody standards.

Scope

The policy applies to: Colbert Packaging Corporation – Lake Forest, IL
Colbert Packaging Corporation – Elkhart, IN
Colbert Flexographic Packaging – Kenosha, WI

Policy

Colbert Packaging uses third-party certification for recognized chain of custody forest certification standards in three of our operations.

Colbert Packaging recognizes the following certification standards for use in our business operations:

- The Forest Stewardship Council® (FSC) is an independent, not for profit, non-government organization established to promote environmentally appropriate, socially beneficial, and economically viable management of the world's forests. FSC's vision is that the world's forests meet the social, ecological, and economic rights and needs of the present generation without compromising those of future generations. Compliance with FSC STD 40-004v2-1, FSC STD 40 003v2-1 for the purchase and production of certified FSC paperboard products to our customers.
- Sustainable Forestry Initiative® (SFI) is an independent, non-profit organization dedicated to promoting sustainable forest management. The Sustainable Forestry Initiative is the world's largest single forest certification standard by area. Compliance with the SFI Chain of Custody Standard (January 2015; SFI Program Requirements 2015-2019, Section 4) for the purchase and production of certified SFI paperboard products to our customers.
